

EDUCATION AND COMMUNICATIONS COORDINATOR for Ocean Exploration

Location:	Silver Spring, Md. or Remote
Supervisor:	Ocean Exploration Program Manager
Status:	Full-Time/Exempt position

What We Need

The <u>National Marine Sanctuary Foundation</u>, a 501(c)3 non-profit organization that is a leading voice for U.S. protected waters, is seeking an **Ocean Exploration Education and Communications Coordinator**, a position responsible for supporting cooperative initiatives between the Foundation and <u>NOAA Ocean Exploration</u>. The person in this position will report directly to the Ocean Exploration Program Manager and collaborate regularly with the NOAA Ocean Exploration Education and Communications Coordinator will support work that is part of the scope of a cooperative agreement between the National Marine Sanctuary Foundation and NOAA Ocean Exploration focused on building public engagement with deep ocean exploration, with a particular focus on informal and formal educators.

The Ocean Exploration Education and Communications Coordinator will play a key role in supporting NOAA Ocean Exploration on behalf of the Foundation by supporting a variety of education engagement projects, including growing social media, coordinating and updating web content, managing scheduling and identifying and supporting needs for professional development workshops, and writing and distributing a regular newsletter. The selected candidate will help reach new and diverse audiences, contribute to stronger engagement with partners in the education community, and support a focused message that builds the reputation and credibility of both NOAA Ocean Exploration and the Foundation with targeted stakeholders.

Work can be performed completely remotely, or at Foundation and/or NOAA headquarters office(s) in Silver Spring, MD, once risks from COVID-19 subside. A belief in our mission, excellent attention to detail, as well as a strong team mentality, is a must.

The National Marine Sanctuary Foundation is committed to a culture of inclusion, equity, and belonging. We are dedicated to attracting and retaining a diverse staff. We honor experiences, perspectives, and unique identities, and welcome the contributions that you can bring to the dedicated team. With a diverse team of employees, we can grow and learn better together and achieve our mission to protect the health of the ocean, coasts and Great Lakes for current and future generations.

What You'll Do
